CHILD DEVELOPMENTAL SCREENINGS

Want to know how your child is growing?

ParentLink is now offering Online Ages & Stages Developmental & Social-Emotional Screenings for young children ages 1 month to 6 years!

- Do you wonder if your child is meeting all milestones for his/her age?
- Do you feel your baby's development is on track?
- Do you feel your infant responds well to you and others?
- Does your young child interact well with friends his/her age?
- Is it hard for your child to calm or adapt to changes in his/her environment?

For more information about your child's development,
or to screen your child online, simply go to:
