Minutes

There were no corrections or comments concerning the minutes of the April 11, 2024 Board Meeting. The minutes were approved as written.

Employee focus group report from CPS-HR consultant Judy England-Joseph

Karen Crago introduced Judy England-Joseph to those that had not met her yet, and explained that she would be reviewing the results from the employee focus groups completed as a continuation of the Employee Engagement Survey which was completed last fall. Judy presented a slideshow for the board and walked them through the areas of success she found as well as areas that need improvement. Lastly, Judy shared some next steps and suggestions on how to improve.

Monthly Reports

<u>Director's Report:</u>

Margaret shared, in addition to what was shared in her report, that the state budget passed with no affect to our state aid including our Non-Resident Athletes and Entertainers Funds appropriation which is derived from the income tax revenue from out of state athletes and entertainers when performing in the State of Missouri. Margaret was happy to report that the bills filed early in

the session that would criminalize librarians for the content on the shelves have all gone nowhere. Lastly, Margarets shared that, before she left, Beth McWilliams secured some wonderful grants: \$250,000 from the county to offset the salaries for our social work and safety positions for two years, funds to send librarians to a conference, and a few more!

Financial Report:

Jim presented the recently finalized December 2023 financial report as well as the April 2024 financial report. Jim briefly summarized the December report sharing that 96% of the total budgeted revenue had been collected due to the timing of a \$1.4 million real estate tax payment and that only 91% of the total budgeted expenditures were under budget due to turnover in salaries as well as reappropriating a few projects into the 2024 fiscal year. Seeing no questions, Jim moved onto sharing key points in the April report. Jim reported that the Total Revenue collected is on track to be above what was projected due to collecting more revenue in Columbia and Boone County than usual for this time a year. Jim finished by reporting that we are currently at 37% of the budget expended, which is exactly where he thinks we should be this time of year.

Service Report:

Margaret shared the service report and shared there were no notable changes.

Service Spotlight: CommunityMade Reading Lists

Amanda Showers presented on CommunityMade Reading Lists, making sure to give credit to Librarian Kat Stone Underwood for coming up with this brilliant idea. These lists, which can be accessed via the DBRL website, are comprised of books and resources and are curated by local organizations in Boone and Callaway counties with the goal of increasing patron awareness of the resources available, fostering positive relationships with these organizations, and promoting both the library materials and the local organizations in a new way. Amanda reported that the CommunityMade Reading Lists also fit perfectly into the 2023-2025 Strategic Plan's performance goal of increasing the number of community collaborations and services for underresourced populations. So far, participants in the CommunityMade Lists include City of Refuge, CoMo Mobile Aid Collective, and Local Motion with future partnerships planned with Missouri River Relief, Burrell Behavioral Health, Coyote Hill, and CoMo Preservation.

Committee Reports

Finance Committee

Jennifer Rodewald shared that the finance committee met on May 1 to receive the report of the 2023 DBRL audit from the auditors. She reported that after reviewing, the committee voted to

recommend the DBRL Board of Trustees approve the 2023 DBRL audit. Jim then introduced Amanda Schultz, a partner from Williams Keepers, and gave her the floor to present the audit report to the entire board. After hearing her report, Nate Suttenfield called for a motion to approve the 2023 DBRL Audit as recommended by the finance committee. Rodewald also reported that the DBRL Finance Committee approved the CY 2023 Cost Allocation at its meeting.

Personnel

Judy England-Joseph of CPS-HR presented her organization's focus group findings via Zoom the week of June 3 to managers and staff. Recordings are available for viewing on the DBRL intranet. An addendum was made to the contract with CPS-HR to fund the sessions.

The two associate directors, Erin Magner and Angela Scott, are jointly handling the executive director duties until a new one is in place. A Leadership Team of the executive director's direct reports has been established and are meeting regularly to provide additional support and guidance to Magner and Scott. The Leadership Team consists of Human Resources Director Karen Crago, Chief Financial Officer Jim Smith, Public Relations Director Mitzi St. John, Associate Director Angela Scott and Associate Director Erin Magner.

DBRL's first Community Resource Specialist Tyler Davis accepted the Community Resource Manager position at DBRL and began serving in that role May 10. Part of his duties include the supervision of social worker practicum students. We currently have 2 students under his guidance that allows us to broaden the number of hours we can provide community resource services while giving the students real-life work experience.

Associate Director Angela Scott will be completing her Leadership Columbia 6-month program through the Columbia Chamber of Commerce on June 20. Leadership Columbia cultivates and motivates future community leaders, and introduces them to the opportunities and challenges in our community.

Work with our DEI consultant Hicks-Carter-Hicks kicked off May 17. Adult Services Manager Lauren Williams and HR Director Karen Crago are sharing the project leader role and will oversee the study. This process will entail collecting data from staff via interviews, a survey and focus groups to evaluate the Library's current DEI climate.

The Ad Hoc Committee for the Executive Director search met Thursday, June 6th. The committee discussed options for conducting the Executive Director search and determined what option they would suggest to the Board of Trustees at the June meeting.

Public Services

The Period Product Drive at all locations concluded May 31. Nearly 10,500 items were collected and will be donated to the Center Project, Central Missouri Community Action (CMCA), Helping Hands Free Store, Our House and True North. This is the second year hosting this drive.

By a margin of 21 votes, the community voted to read "Migrations" by Charlotte McConaghy for this year's *One Read* program. As in past years, the Friends of the Columbia Public Library funded the purchase of numerous copies of the *One Read* title for patrons to check out. The library offers the book as an eBook and in downloadable and streaming audiobook formats as well. The author lives in Australia and has agreed to do a presentation over Zoom, tentatively scheduled for September 24.

DBRL introduced the new online service Fiero Code on May 13. It is a self-guided educational resource for learning how to code in various computer languages and web design for ages 8-adult.

Facilities

DBRL received an estimate of \$63,323 to repaint the interiors of CPL, CCPL, HSPL and SBCPL. Since \$10,000 was budgeted in 2024 for this project, it will be done in stages over a two-year period. Enough Buildings and Grounds funds were available to cover the \$30,000 cost to repaint CPL and areas that needed the most attention.

Foundation

The City of Columbia was awarded a grant to install electronic vehicle (EV) charging stations in some public spaces in the city, and the library was established as a potential site. Angela Scott and Jim Smith have been working with Eric Hempel from the City of Columbia to identify current action items and build an MOU framework.

DBRL received a grant through the United States Holocaust Memorial Museum and the American Library Association to bring the "Americans and the Holocaust: A Traveling Exhibition for Libraries" to the Columbia Public Library in 2026. The Columbia Public Library is one of two Missouri libraries (the other being the Springfield-Greene County Libraries) hosting the Americans and the Holocaust Traveling Exhibition. The display will be CPL's Quiet Reading Room for 6 weeks between February 5-March 19, 2026. Seth Smith spent three days at the United States Holocaust Memorial Museum in May for an in-depth training on the

presentation of this exhibit, and there are many programming possibilities surrounding themes of historic American immigration policies, topics surrounding diversity and inclusion, in addition to the ongoing efforts to prevent genocide worldwide.

The Missouri Department of Natural Resources' Division of Energy awarded a Missouri Energy Audit Reimbursement Program grant in the amount of \$20,000 to DBRL. The funding was made possible through the American Recovery and Reinvestment Act of 2009. DBRL will use the funds to do the energy audits at CPL and CCPL.

Media Report

Two topics dominated the news coverage of DBRL in May. We announced the winning 2024 *One Read* title, "Migrations," on May 23. As in the past, *One Read* co-chairs revealed the book title first on KFRU during David Gaine's morning program. Several other Mid-Missouri picked up the news release including the Columbia Daily Tribune, the Columbia Missourian and the Office of Cultural Affairs. Mentions were also found on Reddit, X (formerly known as Twitter), aol.com and Ground News. Several outlets covered the DBRL board of trustees search for a new executive director - Columbia Daily Tribune, Columbia Missourian, Fulton Sun, KBIA and KOMU. The Columbia Missourian also covered May's "Missouri Job Center Walk-In Wednesday Hiring Event. Inside Columbia wrote a piece about CPL's "After-Hours Open Mic Night." KRCG previewed SBCPL's "Grow Native! Garden of Excellence Open Hours" on Saturday, June 8.

DBRL Monthly Report May 2024

Revenue

- 1. The Property Taxes received are more than expected for the month of May because of the timing of tax payments for the Columbia and Boone County Library District (page 3). The Statement of Revenue and Expenditures reflects library tax income through May for the Columbia and Boone County and Callaway County Library Districts.
- 2. Investment Interest on Taxes is through April 30, 2024 (page 3). May interest income information has not been received from the Boone County Treasurer.

- 4. Unrealized Gain or (Loss) represents the reversal of the GASB 31 requirement to value our Investments at market value at year-end (page 3). This amount will be netted against the unrealized gain or (loss) at the end of 2024 to determine the total unrealized gain or (loss) for calendar year 2024.
